A. D. WALSH,

ses Benson twice a week going east or west is by far the finest and most magnificent transcontinental passenger train in existance. It is incomparable unexcelled and unequalled. No expense has been spared to make it per fect in every respect, and all that human skill or science could invent and apply to make it absolutely fauit-strate the great rearific of the remedy. and apply to make it absolutely fault-less has been applied. Luxury and beauty have been combined with errength and safety, and, meteor like, it spans the continent, annihilating time and space in its marvelous flight. All who have had the pleasure of a trip on this train unbesitatingly pronounce it the very finest in the land.

Church, Kelens, Mont. it spane the continent, annihilating nounce it the very finest in the land. A ticket on this costs no more than
